

Child Care Consultants, Inc. is a non-profit resource and referral agency serving parents, employers, and child care providers in central Pennsylvania.

CHILD CARE CONSULTANTS, INC. PROVIDES:

- assistance for families trying to find, evaluate, and pay for child care services
- individualized consultation on child development and child care issues
- brochures on topics such as how to find quality child care, child development, play, and separation issues
- efforts to improve quality care for children, serving as the Mid-State Regional Key for the Keystone STARS quality improvement program
- training, technical assistance, and support to child care programs
- help for employers with the selection and implementation of child care policies and benefits

Child Care Consultants, Inc. is a non-profit organization dedicated to the promotion and growth of quality care and development of all children for York County and its surrounding communities.

AN IMPORTANT NOTE FOR PARENTS/GUARDIANS: IT'S YOUR CHOICE.

Selecting and monitoring a child care provider is the right and responsibility of the parent or guardian. Providers listed with Child Care Consultants, Inc. are regulated by the Pennsylvania Department of Human Services. Providers have not been screened, evaluated, or recommended by Child Care Consultants, Inc. or WellSpan Health. Neither organization guarantees or endorses the providers. The final decision about your child care arrangements must be made by you, the parent or guardian. Once you have chosen a provider, you should continually monitor the quality of care that your child is receiving from that provider.

CHILD CARE REFERRAL Service

**A BENEFIT PROVIDED
TO THE EMPLOYEES OF
WELLSPAN HEALTH**

Dear Fellow Employee,

As every parent knows, finding suitable child care can be a difficult and time-consuming process. Knowing that your child is learning and growing while cared for in a safe and loving environment is vital to your success at work.

We recognize how important, though difficult, it is to find child care that meets the needs of your family. That is why **WellSpan Health has contracted with Child Care Consultants, Inc. to provide a child care resource and referral service** to our employees. Child Care Consultants, Inc. can assist you in finding, evaluating, and selecting child care which **meets the needs of your family**. If you work second or third shift, they can even help you locate a child care provider for evening or nighttime hours.

This brochure describes the services offered to you by Child Care Consultants, Inc. As an employee of WellSpan Health, these services are **available to you at no cost**.

I encourage you to take advantage of this valuable service by contacting the specialists there as often as you need.

Sincerely,

Melissa Boll

IF YOU ARE ASKING THESE QUESTIONS...

"We're expecting a baby . . . what are my child care options?"

". . . Help! I've lost my child care provider!"

"What does high quality child care look like, and how do I find it . . .?"

CHILD CARE CONSULTANTS CAN HELP!

Child Care Consultants, Inc. has access to regulated child care providers across the entire state of Pennsylvania. Our Referral Specialists can guide you through the process of finding, evaluating and selecting a provider.

TO USE THIS SERVICE:

Contact Child Care Consultants, Inc.
Monday – Friday | 8:30 am – 5:00 pm

Call: 717-854-2273

Email: info@childcareconsultants.org

☎ Identify yourself as an employee of WellSpan Health interested in a child care search.

☎ A Referral Specialist will ask you for specific information concerning the needs of you and your child(ren). This initial phone contact will take just a few short minutes.

✉ A packet of materials, including a list of child care providers matching your specific needs, with vacancy checks, will be mailed to you within three business days. If you need the referrals sooner, our specialist can call, email or fax the results of your child care search to you.

☎ Feel free to call your Referral Specialist at any time during the process.

☎ We will call you to follow up on your search.

☑ Parents are encouraged to interview and check references before carefully selecting a provider that best meets their family's needs.
